**DECLARATION OF CLAIMANT LARS P. JACOBSON IN OPPOSITION
TO DEBTORS' FOURTEEN OMNIBUS OBJECTIONS SEEKING
TO RECLASSIFY OR SUBORDINATE COMPENSATION CLAIMS AS EQUITY**

I, Lars P. Jacobson, a claimant in the above captioned matter, declare under penalty of perjury pursuant to 28 U.S.C. § 1746 as follows:

1. I make this Declaration based on my personal knowledge and the documents available to me, and would testify to the best of my recollection about the following if called upon. I submit this declaration in opposition to Lehman's One Hundred Seventy-Sixth Omnibus Objection.
2. I was employed by Lehman Brothers in the State of California, County of Los Angeles, from Nov. 2000 through Lehman's chapter 11 filing of bankruptcy petition on Sept 15, 2008.
3. I was paid a percentage (based on the "production grid") of my gross commissions in cash at the end of each month. However, Lehman deducted an amount based on annualized production and title to be withheld in the form of RSUs.
4. My participation in the unfunded RSU deferred compensation program was automatic and mandatory -- there were no election or enrollment forms to complete, I could not choose whether or not to participate or to limit the portion amount of my commissions designated as RSUs, and I had no ability to direct how the amounts that Lehman withheld would be used. This RSU-designated portion was essentially a part of my earned compensation that Lehman forced me to wait five (5) years to *possibly* receive any value from.

5. At the end of each fiscal year, except 2008, Lehman kept that portion of my Total Sales Compensation that it had deducted/withheld on a monthly basis, denominated Equity Accrual Calculated, and instead gave me a deferred compensation credit in the form of restricted stock units (“RSUs”) pursuant to its mandatory Equity Awards Program.
6. Lehman never obtained my express written authorization to deduct and withhold *specified* amounts of commissions from my payroll checks.
7. A portion of my earned commissions were nevertheless deducted from my monthly paychecks each month and withheld for the general benefit of Lehman, in an amount pre-determined by Lehman, and with the promise of granting RSUs at year-end (at Lehman’s sole discretion) that would not convert to a true equity stake until five (5) years thereafter. Employees like me had no choice as to our participation.
8. Even after the vesting of the RSUs, there was no present right to the common stock, and I did not receive and was not permitted to sell the shares until (if at all) at least five (5) years after the RSU grant date.
9. When Lehman paid me the cash portion of my due commissions,” Lehman reported it to the tax authorities as compensation income and I paid income tax on it through customary withholding. While the RSU-designated portion of my commissions was earned simultaneously as part of the agreed-upon commissions, it was not reported to the tax authorities as my compensation income. With RSUs, I would have to pay tax at ordinary income rates on the market value of the shares Lehman issued to me upon their conversion five-years after being granted the RSUs.
10. At the outset when I was first hired in Nov. 2000, I was *not* told that I was required to take a specific portion of my Total Compensation in the form of RSUs or that I would have to wait 5 years to receive the full value of my due commissions. Nor was I told at the outset of each

fiscal year the portion of my Total Compensation for that year that I would be required to accept in the form of RSUs, or even that I would be required to accept any portion as RSUs. Whether any portion of my Total Compensation would be paid in RSUs was completely within Lehman's discretion, and Lehman simply dictated its decision on how much of my commissions, if any, it would pay me at year end. It was solely at the Firm's option whether a portion of my total compensation *may* be payable in the form of RSUs.

11. Pursuant to the terms of the RSU program, I recognized that I was contractually obligated to avoid engaging in any "Detrimental Activity" and that I had other ongoing contract obligations. As Lehman cautioned me in the program documents it provided, I had no rights as a stockholder until I became the record holder of stock, and as grantee of these deferred compensation devices called RSUs I had no better rights than those of a general creditor. Further, I had no ability to sell, assign, hedge, pledge or otherwise dispose of the RSUs. I had no rights but the contract rights of an employee whose compensation had been withheld.
12. Lehman objects that the RSUs gave employees a financial stake in the company. However, until the waiting period ended, the RSU plan documents made it clear that employees had only the rights of a general unsecured creditors and no rights as an equity-holder or stockholder.
13. What Lehman describes as a financial incentive to remain with the company was really Lehman's arbitrary assertion of financial control by withholding a large portion of my earned commissions and forcing me to forfeit my wages if we breached certain employment-related conditions Lehman had unilaterally imposed. There was nothing in this practice that attracted me to work at Lehman. I did not view the Lehman RSU as being designed for my benefit; it was simply Lehman's way of handcuffing employees to the firm. In other words, RSUs were designed to allow Lehman to penalize me if I left the firm in certain

circumstances by forcing me to forfeit a portion of my earned commissions after not having given me any real equity in the company for at least the five (5) year-holding period. It goes without saying that RSUs were never a form of compensation I would have freely elected if given any choice in the matter.

14. I did not intend to be an investor in Lehman, or to take on the risk of potential losses or gains of owning Lehman equity, by seeking and continuing employment with Lehman. I did not join Lehman so that I could make a profit on its stock. My sole intention in taking and keeping my job was to provide labor and services in order to secure a good career and livelihood. Lehman's claim that I "originally intended" to treat the RSUs as equity in the firm is unsupported by any evidence and is simply not true. In fact, RSUs were not even initially offered to me when I first took the job. Lehman also told me I had no rights as a stockholder until I became the record holder of stock. I never had the intent to put my compensation at risk in a pseudo-investment instrument over which I had no control.

15. Lehman's representation that RSU holders had shareholder voting rights even before the stock was issued is incomplete and misleading. I do not recall being given the opportunity to vote related to any RSUs and was not advised about any documents relating to the shares reserved in trust. The Lehman Brief cites to a description of a trust established to hold an unspecified number of shares that would be voted "in proportion" to the number of RSUs the holder held. But Lehman never tells the Court here what it also never told the employees: What was the proportion of shares held by the Trust relative to the total outstanding RSUs (determining what fraction of a vote the purported RSU vote had, if any), when did an RSU come to have this purported voting right (*i.e.*, upon grant, upon vesting, or as amortized), and how was the RSU holder's vote solicited? Lehman's statement that holders of RSUs had

voting rights is not supported by any explanation of how holders exercised these purported voting rights, if indeed they were exercised at all.

16. Lehman's claims that it "equated RSUs to common stock" and that if it had avoided bankruptcy "Claimants would have reaped the benefit" of any increase in the stock price is simply meaningless and disingenuous. What matters is what I had before the end of five-year waiting period. Lehman told me I had no rights as a stockholder and equated my rights with those of a general creditor. When Lehman failed to "avoid bankruptcy," what I was left with was my contract right to the full commission value that Lehman had declared due to me.
17. Lehman recognized my rights as those of a contract creditor in its petition and schedules, where RSU agreements were listed as Executory Contracts under Schedule G. My claim was assigned Claim No. 24335 and corresponds to Schedule No. 555056270 according to the Epiq docket site "www.Lehman-Docket.com." A true and correct copy of the Proof of Claim that I filed in connection with my contract rights under the RSU Agreements is attached hereto as Exhibit A. Along with its bar date notice, Lehman provided me with a Proof of Claim form to file in this case. I completed and filed the form Lehman had sent and attached relevant employment records showing the amounts withheld from my commissions. Lehman acknowledged receipt of my Proof of Claim form upon my delivery to its claims agent. Lehman still owes me unpaid wages for services I rendered in the amount stated on this form. The amount claimed is supported by the compensation statements attached to the proof of claim form for the relevant period of my employment, based on the amounts withheld.
18. Lehman does not dispute that it retained me to perform services as an employee and that it received the benefit of my services. Although I continued to work for Lehman in reliance on its promise to pay me the compensation it declared that I had earned, subsequent to the bankruptcy Lehman claims the unpaid withheld amount is somehow "equity," even though

no true equity (like common stock) was ever issued and I had no rights as a holder of real equity in Lehman.

19. Lehman also never told me, either in its employment offer, equity awards plan, or any of its descriptions of the mandatory RSU program that if Lehman filed for bankruptcy, it could try to prevent me from at least receiving full payment of the earned commissions it had deducted and withheld from my paychecks.
20. Lehman and I entered into a settlement in December 2013, in which they agreed to allow in part the 2008 portion my claim for which amounts were withheld but no RSUs were ever issued. The amount settled as an allowed claim is to be paid in the following amounts: \$10,950 as a priority claim and \$113,335.56 as a general unsecured claim. A true and correct copy of a screenshot of the settled and remaining balance of my claim, taken from the public Epiq docket site, is attached hereto as Exhibit B.
21. Because the RSUs remained a debt obligation to pay withheld wages until they actually converted to real equity like Lehman stock, and the fact that the remaining amount of my claim is for amounts withheld as RSUs that never did convert to Lehman stock, I believe the remaining balance remains a general unsecured claim. I maintain my rights to be paid as a general unsecured creditor under the wage laws of the State of California.

I declare under penalty of perjury that the foregoing is true and correct.

To Whom It May Concern:

The following information supports my employee priority unsecured claim against Lehman Brothers Holdings Inc. ("LBHI") in the amount of **\$408,027.05**. My claim total is made up of the following two components;

- 1. Award Units Outstanding (See Exhibit 1.1, 1.2, 1.3 and 1.4):** Exhibit 1.1 outlines earnings withheld from my paycheck to participate in the Lehman Brother's Restricted Stock Plan (RSUs) dating back to 2003. The "**Grant Value**" column totaling **\$201,183** correctly summarizes the yearly amounts contributed to the RSU plan. According to the RSU plan documents and prospectus (see explanation below), this money was never invested in actual shares of Lehman Brothers and no shares for contribution years 2003-2008 were ever delivered to me. Exhibit 1.2 and 1.3 are additional documents provided by the trustee's human resource department confirming the total number of units granted to me between 2003-2008. Exhibit 1.4 supports July 2008 grant.
- 2. Sales Compensation Summary (See Exhibit 2.1, 2.2 and 2.3):** Exhibit 2.1 indicates in the "**Equity Accrual Calculated**" section, the total amount of **\$206,844.05** which was withheld from my paycheck to fund my yearly contribution to the RSU plan in 2008. In other words, this amount reflects a significant percentage of my earned commissions that were mandatorily withheld, waiting to be deferred and thus never paid to me. This money normally entered the RSU plan on December 1st of each year. Exhibits 2.2 and 2.3 support exhibit 2.1.

The Proof of Claim is asserted by Lars P. Jacobson ("Claimant") in the Chapter 11 case of Lehman Brothers Holding Inc., et al.. The Proof of Claim arises from LBHI's Restricted Stock Unit Plan, which was an unfunded deferred compensation plan as evidenced by the following paragraphs (see bullet points below) which are clearly found directly in

1. **Top of Page 4 in the Plan Prospectus (See Exhibit 4.1):** Except as otherwise provided in a Participant's Award agreement, no participant (or other person having rights pursuant to an Award) shall have any rights of a shareholder of the company with respect to share of Common Stock subject to an award until the delivery of such shares of Common Stock.
2. **Top of Page 11 (Section 8) in the Plan Document (See Exhibit 3.1):** Unfunded Status of Plan; No Rights as Shareholder – The plan is intended to constitute an "unfunded" plan for long-term incentive compensation. With respect to any payments not yet made to a Participant, including an Participant-optionee, by the company, nothing here in contained shall give any Participant any rights that are greater than those of a "general creditor" of the Company.
3. **From the Middle of Page 10 (Section 7b) in the Plan Document (See Exhibit 3.1) –** With respect to any restricted stock units granted under the plan, the obligations of the Company or any Subsidiary are limited solely to the delivery of Shares (or, at the discretion of the Committee, cash in lie thereof to the extent necessary to comply with applicable laws, regulation, or other practice, as determined by the committee) on the date when such share are to be delivered under each Award Agreement.

As the preceding paragraphs clearly illustrate, any compensation contributed to the RSU plan was used for general corporate purposes until those shares were actually delivered. Delivery dates would be five years after the grant date. As such, compensation contributed to the plan or undelivered shares were used by the company to fund business operations and should receive employee priority unsecured creditor status.

Sincerely,

Lars P. Jacobson

Dear Colleague,

Since we became a public company in 1994, employee stock ownership has been a key part of building our Firm. The Firm's Equity Award Program is central to our compensation philosophy. As always, we review the program annually to ensure that we have the right plan in place.

We are announcing today changes to the program for 2008 which will enable employees to take advantage of the upside potential in our stock price, and at the same time bring the program more broadly in line with those of our competitors. These changes include:

~~Granting an equity award on July 1, which is meant to be an "advance" against any full year equity award you may receive as part of your 2008 total compensation.~~

- Eliminating the equity discount, while reducing the vesting and delivery schedule from five years to three years
- Increasing the equity component of total compensation at all levels for this year

Please refer to the attached Q&A, which outlines in detail the changes to the 2008 program.

We remain committed to significant employee ownership at the Firm and the important cultural benefits that it brings. We believe that this new program will continue to deliver value to employees while preserving our ownership culture and alignment with our shareholders.

Sincerely,

Dick Burt

Good afternoon,

We are writing to notify you of a change in the monthly pay advice for employees, like yourself, who are paid on the basis of production.

As you know, in the past, the Firm has used your pay advice to indicate the amount of the annual accrual toward a year-end conditional equity award. Effective January 10th, this information will no longer appear on your pay advice. Instead, the information will be available as part of your new individual sales compensation statement within the Sales Compensation System.

This new statement will allow you to see your cash and equity accrual breakdown on a monthly basis, along with other production- and compensation-related information. On the sales compensation statement, the amount of your YTD equity award accrual is indicated as "Equity Accrual Calculated." This represents the YTD amount that will be the basis for your year-end award, pursuant to the terms and conditions of the Equity Award Program as then in effect.

If you have any questions or concerns, please contact the 'salescomp' distribution group in Outlook, or Michael Williams

Explanation of "Equity Accrual
Calculated" on attached (Ex. 2.1)

As amended November 8, 2007

LEHMAN BROTHERS HOLDINGS INC.

2005 STOCK INCENTIVE PLAN

1) Purpose of the Plan

The purpose of the Plan is to aid the Company and its Affiliates in recruiting and retaining employees, directors and consultants and to motivate such employees, directors and consultants to exert their best efforts on behalf of the Company and its Affiliates by providing incentives through the granting of Awards. The Company expects that it will benefit from the added interest which such employees, directors and consultants will have in the welfare of the Company as a result of their proprietary interest in the Company's success.

2) Definitions

The following capitalized terms used in the Plan have the respective meanings set forth in this Section:

- (a) "**Act**" means The Securities Exchange Act of 1934, as amended, or any successor thereto.
- (b) "**Affiliate**" means any entity that is consolidated with the Company for financial reporting purposes or any other entity designated by the Board in which the Company or an Affiliate has a direct or indirect interest of at least twenty-five percent (25%).
- (c) "**Award**" means an Option, Stock Appreciation Right or Other Stock-Based Award granted pursuant to the Plan.
- (d) "**Award Agreement**" means the written document or documents by which each Award is evidenced.
- (e) "**Board**" means the Board of Directors of the Company.
- (f) "**Change in Control**" means, with respect to any Award granted on or prior to November 8, 2007, the occurrence of any of the following events:
 - (i) The occurrence of an event described in paragraph (ii), (iii), (iv), (v) or (vi) below involving any entity (or an affiliate thereof) which had previously commenced (within the meaning of Rule 14d-2 under the Act), without the approval of the Board, a tender offer for shares having more than 20% of the combined voting power of the Company's outstanding shares of capital stock having ordinary voting power in the election of directors of the Company (the "Voting Securities");
 - (ii) An acquisition (other than directly from the Company) of any Voting Securities by any "Person" (as the term "person" is used for purposes of Section 13(d) or 14(d) of the Act) immediately after which such Person has "Beneficial Ownership" (within the meaning of Rule 13d-3 promulgated under the Act) of 20% or more of the combined voting power of the Company's then outstanding Voting Securities; provided, however, in determining whether a Change in Control has occurred, Voting Securities which are acquired in a "Non-Control Acquisition" (as hereinafter defined) shall not constitute an acquisition which would cause a Change in Control. A "Non-Control Acquisition" shall mean an acquisition by (A) an employee benefit plan (or a trust forming a part thereof or a trustee thereof acting solely in its capacity as trustee) maintained by (I) the Company or (II) any corporation or other Person of which a majority of its voting power or its voting equity securities or equity interest is owned, directly or indirectly, by the Company (for purposes of this definition, a "Subsidiary Entity"); (B) the Company or any of its Subsidiary Entities, or (C) any Person who files in connection with such acquisition a Schedule 13D which expressly disclaims any intention to seek control of the Company and does not expressly reserve the right to seek such control; provided,

however, that any amendment to such statement of intent which either indicates an intention or reserves the right to seek control shall be deemed an "acquisition" of the securities of the Company reported in such filing as beneficially owned by such Person for purposes of this paragraph (ii);

- (iii) The individuals who, as of the Effective Date, are members of the Board (the "Incumbent Board"), ceasing for any reason to constitute at least a majority of the members of the Board; provided, however, that if the election, or nomination for election by the Company's common stockholders, of any new director was approved by a vote of at least two-thirds of the Incumbent Board, such new director shall, for purposes of this Plan, be considered as a member of the Incumbent Board; provided further, however, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of either an actual or threatened election contest or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (in each case, a "Proxy Contest") including by reason of any agreement intended to avoid or settle any Proxy Contest;
- (iv) A merger, consolidation, recapitalization or reorganization involving the Company, unless such merger, consolidation or reorganization is a "Non-Control Transaction"; i.e., meets each of the requirements described in subparagraphs (A), (B) and (C) below:
 - (A) the stockholders of the Company, immediately before such merger, consolidation, recapitalization or reorganization, own, directly or indirectly, immediately following such merger, consolidation, recapitalization or reorganization, at least 50% of the combined voting power of the outstanding voting securities of the Company, the corporation resulting from such merger or consolidation, recapitalization or reorganization, or any parent thereof (the "Surviving Corporation") in substantially the same proportion as their ownership of the Voting Securities immediately before such merger, consolidation, recapitalization or reorganization;
 - (B) the individuals who were members of the Incumbent Board immediately prior to the execution of the agreement providing for such merger, consolidation, recapitalization or reorganization constitute at least 50% of the members of the board of directors of the Surviving Corporation immediately following the consummation of such merger, consolidation, recapitalization or reorganization; and
 - (C) no Person other than the Company, any Subsidiary Entity, any employee benefit plan (or any trust forming a part thereof or a trustee thereof acting solely in its capacity as trustee) maintained by the Company, the Surviving Corporation, or any Subsidiary Entity, or any Person who, immediately prior to such merger, consolidation, recapitalization or reorganization had Beneficial Ownership of 20% or more of the then outstanding Voting Securities has Beneficial Ownership of 20% or more of the combined voting power of the Surviving Corporation's then outstanding voting securities immediately following the consummation of such merger, consolidation, recapitalization or reorganization;
- (v) A complete liquidation or dissolution of the Company;
- (vi) Sale or other disposition of all or substantially all of the assets of the Company to any Person (other than a transfer to a Subsidiary Entity); or
- (vii) An event that would constitute a "Change in Control" within the meaning of Section 2(g).

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the "Subject Person") acquired Beneficial Ownership of more than the permitted percentage set forth in paragraph (ii) or subparagraph (iv)(A) or (C) above, as applicable, of the outstanding Voting Securities as a result of the acquisition of Voting Securities by the Company which, by reducing the number of Voting Securities outstanding, increases the proportional number of shares Beneficially Owned by the Subject Persons, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting

Ex. 3.1

Securities by the Company, and thereafter such Beneficial Owner acquires any additional Voting Securities which increases the percentage of the then outstanding Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

A "Hostile Change in Control" shall mean the occurrence of an event as contemplated in paragraph (i) above. A "Friendly Change in Control" shall mean any Change in Control that is not a Hostile Change in Control.

- (g) "**Change in Control**" means, with respect to any Award granted after November 8, 2007, the occurrence of any of the following events:
- (i) An acquisition (other than directly from the Company, but including any acquisition in connection with any merger, consolidation, recapitalization or reorganization involving the Company) of the Company's outstanding shares of capital stock having ordinary voting power in the election of directors ("Voting Securities") by any "Person" (as the term "person" is used for purposes of Section 13(d) or 14(d) of the Exchange Act) immediately after which such Person has "Beneficial Ownership" (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 70% or more of the combined voting power of the Company's then outstanding Voting Securities; provided, however, in determining whether a Change in Control has occurred, Voting Securities that are acquired in a "Non-Control Acquisition" (as hereinafter defined) shall not constitute an acquisition that would cause a Change in Control. A "Non-Control Acquisition" shall mean an acquisition by (A) an employee benefit plan (or a trust forming a part thereof or a trustee thereof acting solely in its capacity as trustee) maintained by (I) the Company or (II) any corporation or other Person of which a majority of its voting power or its voting equity securities or equity interest is owned, directly or indirectly, by the Company (for purposes of this definition, a "Subsidiary Entity"), (B) the Company or any of its Subsidiary Entities, or (C) any Person who files in connection with such acquisition a Schedule 13D that expressly disclaims any intention to seek control of the Company and does not expressly reserve the right to seek such control; provided, however, that any amendment to such statement of intent that either indicates an intention or reserves the right to seek control shall be deemed an "acquisition" of the securities of the Company reported in such filing as beneficially owned by such Person for purposes of this paragraph (i);
 - (ii) Any merger, consolidation, recapitalization or reorganization involving the Company, unless such merger, consolidation, recapitalization or reorganization is a "Non-Control Transaction"; i.e., meets each of the requirements described in subparagraphs (A), (B) and (C) below:
 - (A) the stockholders of the Company, immediately before such merger, consolidation, recapitalization or reorganization, own, directly or indirectly, immediately following such merger, consolidation, recapitalization or reorganization, at least 30% of the combined voting power of the outstanding voting securities of the Company, the corporation resulting from such merger, consolidation, recapitalization or reorganization, or any parent thereof (the "Surviving Corporation") in substantially the same proportion as their ownership of the Voting Securities immediately before such merger, consolidation, recapitalization or reorganization;
 - (B) the individuals who were members of the Board immediately prior to the execution of the agreement providing for such merger, consolidation, recapitalization or reorganization constitute at least 50% of the members of the board of directors of the Surviving Corporation immediately following the consummation of such merger, consolidation, recapitalization or reorganization; and
 - (C) no Person other than the Company, any Subsidiary Entity, any employee benefit plan (or any trust forming a part thereof or a trustee thereof acting solely in its capacity as trustee) maintained by the Company, the Surviving Corporation, or any Subsidiary Entity, or any Person who, immediately prior to such merger, consolidation, recapitalization or

Ex. 3.1

reorganization had Beneficial Ownership of 70% or more of the then outstanding Voting Securities has Beneficial Ownership of 70% or more of the combined voting power of the Surviving Corporation's then outstanding voting securities immediately following the consummation of such merger, consolidation, recapitalization or reorganization;

- (iii) Replacement within a consecutive twelve month period of a majority of the individuals who are members of the Board with individuals ("Replacement Board Members") who do not receive endorsement by a majority of the Board before the date of the appointment or election of such Replacement Board Member; or
- (iv) Sale or other disposition (other than a transfer to a Subsidiary Entity) of all or substantially all of the assets of the Company to any Person, or any Person acquires such amount of assets in any consecutive twelve-month period ending on the most recent acquisition by such Person.

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the "Subject Person") acquired Beneficial Ownership of more than the permitted percentage set forth in paragraph (i) of the outstanding Voting Securities as a result of the acquisition of Voting Securities by the Company that, by reducing the number of Voting Securities outstanding, increases the proportional number of shares Beneficially Owned by the Subject Person, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Company, and thereafter such Subject Person acquires any additional Voting Securities which increases the percentage of the then outstanding Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur. In addition, notwithstanding the foregoing a Change in Control shall not be deemed to occur unless such transaction or occurrence constitutes a change in ownership or effective control within the meaning of Section 409A(a)(2)(A)(v) of the Code.

- (h) "**Code**" means the Internal Revenue Code of 1986, as amended, or any successor thereto.
- (i) "**Committee**" means the Compensation and Benefits Committee of the Board.
- (j) "**Company**" means Lehman Brothers Holdings Inc.
- (k) "**Dividend Equivalent Right**" means a dividend equivalent right granted under the Plan, which represents an unfunded and unsecured promise to pay to the Participant amounts equal to all or any portion of the regular cash dividends that would be paid on Shares covered by an Award if such shares were delivered pursuant to an Award.
- (l) "**Effective Date**" means May 1, 2005.
- (m) "**Employment**" means (i) a Participant's employment if the Participant is an employee of the Company or any of its Affiliates, (ii) a Participant's services as a consultant, if the Participant is consultant to the Company or any of its Affiliates and (iii) a Participant's services as a Non-Employee Director, if the Participant is a non-employee member of the Board; provided however that unless otherwise determined by the Committee, a change in a Participant's status from employee to non-employee (other than a director of the Company or an Affiliate) shall constitute a termination of employment hereunder. For purposes of the Plan, unless the Committee determines otherwise: (a) a transfer of a Participant's employment, without an intervening period of separation, between the Company and any Affiliate shall not be deemed a termination of employment, and (b) a Participant who is granted in writing a leave of absence shall be deemed to have remained in the employ of the Company during such leave of absence.
- (n) "**Fair Market Value**" means, on a given date, (i) if there should be a public market for the Shares on such date, the closing price of the Shares on the New York Stock Exchange, or, if the Shares are not listed or admitted on any national securities exchange, the arithmetic mean of the per Share closing bid price and per Share closing asked price on such date as quoted on the National Association of Securities Dealers Automated Quotation System (or such market in which such

Ex. 3.1

prices are regularly quoted) (the "NASDAQ"), or, if no sale of Shares shall have been reported on the New York Stock Exchange or quoted on the NASDAQ on such date, then the immediately preceding date on which sales of the Shares have been so reported or quoted shall be used, and (ii) if there should not be a public market for the Shares on such date, the Fair Market Value shall be the value established by the Committee in good faith and, in the case of an ISO, in accordance with Section 422 of the Code.

3) Shares Subject to the Plan

- (a) The total number of Shares that may be issued under the Plan is ninety-five (95) million, plus the number of Shares calculated as set forth in subsection (c) below, subject to adjustment as provided in Section 9. Shares of Common Stock issued under the Plan may be authorized but unissued shares or authorized and issued shares held in the Company's treasury, or any combination thereof. No participant may be granted Options, Stock Appreciation Rights or Other Stock-Based Awards covering in excess of four million Shares in any fiscal year of the Company, and the maximum number of Shares that may be subject to Awards that are ISOs is twenty (20) million, subject to adjustment as provided in Section 9.
- (b) In calculating the number of Shares remaining available for grants of Awards at any given time during the term of the Plan, the following rules shall apply:
 - (i) the number of Shares remaining for issuance shall be reduced by the number of outstanding Awards that consist of, or that are payable in Shares;
 - (ii) the number of Shares remaining for issuance shall be increased by the number of Shares withheld or tendered (by actual delivery or attestation) to pay the exercise price of an Option

Ex. 3.1

and by the number of shares withheld from any grant of Awards to satisfy tax withholding obligations;

- (iii) the number of Shares remaining for issuance shall be increased by the number of Shares that have been granted, or reserved for distribution in satisfaction of Awards, that are later forfeited, or that expire or terminate or, for any other reason, are not payable or distributable under the Plan; and
- (iv) the number of Shares remaining for issuance shall be increased by the number of Shares that have been granted in respect of Awards that are settled in cash under the Plan.
- (c) The following numbers of Shares shall be added to the ninety-five (95) million Shares expressly identified in subsection (a) above: the number of Shares that, on the date that is immediately prior to the applicable date of expiration of each of the Lehman Brothers Holdings Inc. Employee Incentive Plan and the Lehman Brothers Holdings Inc. 1996 Management Ownership Plan (each, a "Prior Plan"), are available for issuance and not otherwise subject to outstanding Awards granted under the Prior Plans, increased by the number of Shares that, as of each such applicable expiration date, were subject to Awards granted and outstanding under the Prior Plans (the "Prior Awards") but which are subsequently not payable or distributable under the Prior Awards under any of the circumstances described in paragraph (ii), (iii) or (iv) of subsection (b) above.

4) Administration

- (a) The Plan shall be administered by the Committee, the members of which shall be "independent" in accordance with all applicable stock exchange or market listing requirements. The Committee may delegate its duties and powers in whole or in part to any subcommittee thereof consisting solely of at least two individuals who are intended to qualify as "non-employee directors" within the meaning of Rule 16b-3 under the Act (or any successor rule thereto) and, to the extent required by Section 162(m) of the Code (or any successor section thereto), "outside directors" within the meaning thereof. In addition, to the extent consistent with Rule 16b-3 under the Act, the Committee may delegate the authority to grant Awards under the Plan to officers or employees of the Company.
- (b) The Committee is authorized to construe, interpret, implement and administer the Plan and any Award, to establish, amend and rescind any rules and regulations relating to the Plan and each Award, and to make any other determinations that it deems necessary or desirable for the administration of the Plan or with respect to any Award. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Award in the manner and to the extent the Committee deems necessary or desirable. Any decision of the Committee in the construction, interpretation, implementation and administration of the Plan or any Award, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to, Participants and their beneficiaries or successors). The Committee shall have the full and exclusive power and authority to make, and establish the terms and conditions of, any Award to any person eligible to be a Participant, consistent with the provisions of the Plan and to amend or waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any conditions on vesting), provided, however, the Committee shall not have such power and authority to accelerate or otherwise provide for the times at which Shares with respect to any Award are delivered if any Award is subject to Section 409A of the Code in a manner that would result in the imposition upon any Participant of an additional tax under Section 409A of the Code, and provided further, in the event that it is reasonably determined by the Committee that, as a result of Section 409A of the Code, a Participant is deemed to be a "specified employee" (within the meaning of Section 409A(a)(2)(B)(i) of the Code), payments and/or deliveries of Shares in respect of any Award subject to Section 409A of the Code shall not be made prior to the date which is six (6) months after the date of such Participant's separation from service from the Company and all Subsidiaries, determined in accordance with Section 409A of the Code and the regulations promulgated

Ex. 3.1

thereunder. None of Committee's determinations under the Plan and under any Award Agreement need be uniform and any such determinations may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan (whether or not such persons are similarly situated). Without limiting the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations under Award Agreements, and to enter into non-uniform and selective Award Agreements, as to (i) the persons to receive Awards, (ii) the terms and provisions of Awards, (iii) whether a Participant's Employment has been terminated for purposes of the Plan and (iv) any adjustments to be made to Awards pursuant to Section 9 or otherwise.

- (c) The Committee shall require payment of any amount it may determine to be necessary to withhold for federal, state, local or other taxes or to otherwise satisfy any tax obligations due as a result of the exercise, grant, vesting of, or payment pursuant to, an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such withholding or other taxes by (i) delivery, in cash or by check, (ii) delivery in Shares or (iii) having Shares withheld by the Company with a market value equal to the minimum statutory withholding rate from any Shares that would have otherwise been received by the Participant.
- (d) Deliveries of Shares may be rounded to avoid fractional shares. In addition, the Company may pay cash in lieu of fractional shares.

5) Terms and Conditions of Options

Options granted under the Plan shall be, as determined by the Committee, non-qualified or ISOs for federal income tax purposes, as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine:

- (a) *Option Price.* The Option Price per Share shall be determined by the Committee, but shall not be less than 100% of the Fair Market Value of the Shares on the date an Option is granted.
- (b) *Exercisability.* Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted.
- (c) *Exercise of Options.* Except as otherwise provided in the Plan or in an Award Agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Section 5, the exercise date of an Option shall be the date a notice of exercise is received by the Company, together with provision for payment of the full purchase price in accordance with this subsection (c). The Option Price for the Shares as to which an Option is exercised shall be paid to the Company, at the election of the Committee, pursuant to one or more of the following methods: (i) in cash; (ii) in Shares having a market value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles); (iii) partly in cash and partly in such Shares; (iv) if there is a public market for the Shares at such time, through the delivery of irrevocable instructions to a broker to sell Shares obtained upon the exercise of the Option and to deliver promptly to the Company an amount out of the proceeds of such Sale equal to the aggregate Option Price for the Shares being purchased or (v) by such other means as the Committee deems appropriate. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option, and shall not otherwise be entitled to delivery of any Shares (or cash or other property in lieu thereof) underlying any such Option, until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan, and such Shares have been issued hereunder.

Ex. 3.1

- (d) *ISOs.* The Committee may grant Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto). No ISO may be granted to any Participant who, at the time of such grant, owns more than ten percent of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company immediately of such disposition and of the amount realized upon such disposition. All Options granted under the Plan are intended to be nonqualified stock options, unless the applicable Award Agreement expressly states that the Option is intended to be an ISO. If an Option is intended to be an ISO, and if for any reason such Option (or portion thereof) shall not qualify as an ISO, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a nonqualified stock option granted under the Plan, provided that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to nonqualified stock options. In no event shall any member of the Committee, the Company or any of its Affiliates (or their respective employees, officers or directors) have any liability to any Participant (or any other Person) due to the failure of an Option to qualify for any reason as an ISO.
- (e) *Attestation.* Wherever in this Plan or any agreement evidencing an Award a Participant is permitted to pay the exercise price of an Option or withholding taxes relating to the exercise of an Option or delivery of Shares pursuant to an Award by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and shall withhold such number of Shares from the Shares acquired by the exercise of the Option or pursuant to the other Award.
- (f) *Section 409A Restrictions on Option Awards.* Options shall only be granted to employees, independent contractors or Non-Employee Directors providing direct services to any corporation in a chain of corporations or other entities in which each corporation or other entity, starting with the Company, has a controlling interest in another corporation or other entity in the chain, ending with the corporation or other entity for which the service provider provides direct services on the date of grant of the Option. For this purpose, the term controlling interest has the same meaning as provided in Treas. Reg. Section 1.414(c)-2(b)(2)(i) of the Code, provided that the language "at least 50 percent" is used instead of "at least 80 percent" each place it appears in Treas. Reg. Section 1.414(c)-2(b)(2)(i). In addition, where the use of such stock with respect to the grant of an option to such service provider is based upon legitimate business criteria, the term controlling interest has the same meaning as provided in Treas. Reg. Section 1.414(c)-2(b)(2)(i), provided that the language "at least 20 percent" is used instead of "at least 80 percent" each place it appears in Treas. Reg. Section 1.414(c)-2(b)(2)(i). For purposes of determining ownership of an interest in an organization, the rules of Treas. Reg. Section 1.414(c)-3 and 1.414(c)-4 of the Code apply.

6) Terms and Conditions of Stock Appreciation Rights

- (a) *Grants.* The Committee may grant (i) a Stock Appreciation Right independent of an Option or (ii) a Stock Appreciation Right in connection with an Option, or a portion thereof. A Stock Appreciation Right granted pursuant to clause (ii) of the preceding sentence (A) may be granted at the time the related Option is granted or at any time prior to the exercise or cancellation of the related Option, (B) shall cover the same number of Shares covered by an Option (or such lesser number of Shares as the Committee may determine) and (C) shall be subject to the same terms and conditions as such Option except for such additional limitations as are contemplated by this Section 6 (or such additional limitations as may be included in an Award agreement).

Ex. 3.1

- (b) *Terms.* The exercise price per Share of a Stock Appreciation Right shall be an amount determined by the Committee but in no event shall such amount be less than the Fair Market Value of a Share on the date the Stock Appreciation Right is granted; provided, however, that notwithstanding the foregoing in the case of a Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, the exercise price may not be less than the Option Price of the related Option. Each Stock Appreciation Right granted independent of an Option shall entitle a Participant upon exercise to an amount, in cash and/or Shares, equal to (i) the excess of (A) the market value on the exercise date of one Share over (B) the exercise price per Share, times (ii) the number of Shares covered by the Stock Appreciation Right. Each Stock Appreciation Right granted in conjunction with an Option, or a portion thereof, shall entitle a Participant to surrender to the Company the unexercised Option, or any portion thereof, and to receive from the Company in exchange therefor an amount equal to (i) the excess of (A) the market value on the exercise date of one Share over (B) the Option Price per Share, times (ii) the number of Shares covered by the Option, or portion thereof, which is surrendered. Payment shall be made in Shares or in cash, or partly in Shares and partly in cash (any such Shares valued at such market value), as shall be determined by the Committee. Stock Appreciation Rights may be exercised from time to time upon actual receipt by the Company of written notice of exercise stating the number of Shares with respect to which the Stock Appreciation Right is being exercised. The date a notice of exercise is received by the Company shall be the exercise date. No fractional Shares will be issued in payment for Stock Appreciation Rights, but instead cash will be paid for a fraction or, if the Committee should so determine, the number of Shares will be rounded downward to the next whole Share.
- (c) *Limitations.* The Committee may impose, in its discretion, such conditions upon the exercisability or transferability of Stock Appreciation Rights as it may deem fit.
- (d) *Section 409A Restrictions on Stock Appreciation Right Awards.* Stock Appreciation Rights shall only be granted to employees, independent contractors or Non-Employee Directors providing direct services to any corporation in a chain of corporations or other entities in which each corporation or other entity, starting with the Company, has a controlling interest in another corporation or other entity in the chain, ending with the corporation or other entity for which the service provider provides direct services on the date of grant of the Stock Appreciation Right. For this purpose, the term controlling interest has the same meaning as provided in Treas. Reg. Section 1.414(c)-2(b)(2)(i) of the Code, provided that the language "at least 50 percent" is used instead of "at least 80 percent" each place it appears in Treas. Reg. Section 1.414(c)-2(b)(2)(i). In addition, where the use of such stock with respect to the grant of a Stock Appreciation Right to such service provider is based upon legitimate business criteria, the term controlling interest has the same meaning as provided in Treas. Reg. Section 1.414(c)-2(b)(2)(i), provided that the language "at least 20 percent" is used instead of "at least 80 percent" each place it appears in Treas. Reg. Section 1.414(c)-2(b)(2)(i). For purposes of determining ownership of an interest in an organization, the rules of Treas. Reg. Section 1.414(c)-3 and 1.414(c)-4 of the Code apply.

7) Other Stock-Based Awards

- (a) The Committee, in its sole discretion, may grant or sell Awards of Shares and Awards that are valued in whole or in part by reference to, or otherwise based on the Fair Market Value of, Shares (all such Awards being referred to herein as "Other Stock-Based Awards"). Other Stock-Based Awards shall be in such form, and be subject to such terms and conditions, as the Committee shall determine, including without limitation, the following forms: (i) the right to purchase Shares, (ii) Shares subject to restrictions on transfer until the completion of a specified period of service, the occurrence of an event or the attainment of performance objectives, each as specified by the Committee, and (iii) Shares issuable upon the completion of a specified period of service, the occurrence of an event or the attainment of performance objectives, each as specified by the Committee. Other Stock-Based Awards may be granted alone or in addition to any other Awards made under the Plan. All references in the preceding sentence to "specified period of service," in the case of Other Stock-Based Awards which (i) are not in lieu of cash compensation to employees generally, (ii) are not paid to recruit a new employee in an amount of less than 5% of the total

Ex. 3.1

awards available for grant under the Plan or (iii) are not subject to the attainment of performance objectives, shall provide that vesting, restrictions on transfer or some other comparable restriction which incents continued performance of the Participant, will be for a period of not less than three years (although vesting or lapsing may occur in tranches over the three years), unless there is a Change in Control or the Participant retires, becomes disabled or dies. Subject to the provisions of the Plan, the Committee shall have sole and absolute discretion to determine to whom and when such Other Stock-Based Awards will be made, the number of shares of Common Stock to be awarded under (or otherwise related to) such Other Stock-Based Awards and all other terms and conditions of such Awards. The Committee shall determine whether Other Stock-Based Awards shall be settled in cash, Common Stock or a combination of cash and Common Stock.

- (b) With respect to any restricted stock units granted under the Plan, the obligations of the Company or any Subsidiary are limited solely to the delivery of Shares (or, at the discretion of the Committee, cash in lieu thereof to the extent necessary to comply with applicable law, regulation or other local practice, as determined by the Committee) on the date when such Shares are due to be delivered under each Award Agreement. The Company or any Subsidiary may deliver cash to Participants for dividends paid to a holder of shares of Common Stock, for fractional shares or for any amounts payable in cash upon the occurrence of a Change in Control.

- (c) The Committee may establish performance objectives that must be attained in order for the Company to make payments pursuant to Other Stock-Based Awards. The performance objectives for Awards will be based upon one or more of the following criteria: (i) before-tax income and/or net income; (ii) earnings per share; (iii) book value per share; (iv) stock price; (v) return on equity; (vi) expense management; (vii) return on investment; (viii) improvements in capitalization; (ix) profitability of an identifiable business unit or product; (x) profit margins; (xi) budget comparisons; (xii) total return to Stockholders; (xiii) net revenue; and (xiv) economic value added. The foregoing criteria may relate to the Company, one or more of its Subsidiaries or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code (or any successor section thereto), the performance goals may be calculated without regard to extraordinary items. The Committee shall determine whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, shall so certify and ascertain the amount of the applicable Performance-Based Award. No Performance-Based Awards will be paid for such performance period until such certification is made by the Committee. The amount of the Performance-Based Award actually paid to a given Participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Committee. The amount of the Performance-Based Award determined by the Committee for a performance period shall be paid to the Participant at such time as determined by the Committee in its sole discretion after the end of such performance period; provided, however, that a Participant may, if and to the extent permitted by the Committee and consistent with the provisions of Sections 162(m) and 409A of the Code, elect to defer payment of a Performance-Based Award. The maximum amount of Other Stock-Based Awards that may be granted during a fiscal year of the Company to any Participant shall be (x) with respect to Other Stock-Based Awards that are denominated or payable in Shares, four million Shares, and (y) with respect to Other Stock-Based Awards that are not denominated or payable in Shares, \$50 million.

- (d) The Committee may grant Participants Dividend Equivalent Rights with respect to any Common Stock subject to any Award. The Committee shall specify at the time of grant of any Dividend Equivalent Right whether dividends shall be paid at the time dividends in respect of Common Stock are paid to other shareholders or accumulated and paid out at the time payment is called for under the Awards to which the Dividend Equivalent Right relates. Other Stock-Based Awards may, at the discretion of the Committee, provide the Participant with dividends or dividend equivalents and voting rights prior to either vesting or earnout.

Ex. 3.1

8) **Unfunded Status of Plan; No Rights as a Shareholder.**

The Plan is intended to constitute an "unfunded" plan for long-term incentive compensation. With respect to any payments not yet made to a Participant, including any Participant-optionee, by the Company, nothing herein contained shall give any Participant any rights that are greater than those of a general creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Shares or payments in lieu thereof or with respect to Options, Stock Appreciation Rights and Other Stock-Based Awards under the Plan; provided, however, that the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan. Except as otherwise provided in a Participant's Award Agreement, no Participant (or other person having rights pursuant to an Award) shall have any of the rights of a shareholder of the Company with respect to Shares subject to an Award until the delivery of such Shares. Except as otherwise provided in Section 9, no adjustments shall be made for dividends or distributions on (whether ordinary or extraordinary, and whether in cash, Shares, other securities or other property), or other events relating to, Shares subject to an Award for which the record date is prior to the date such Shares are delivered.

9) **Adjustments Upon Certain Events**

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

- (a) *Generally.* In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or transaction or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares other than regular cash dividends, or any transaction similar to the foregoing, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the maximum number of Shares for which Awards may be granted during a fiscal year of the Company to any Participant, (iii) the Option Price or exercise price of any Stock Appreciation Right and/or (iv) any other affected terms of such Awards.
- (b) *Change in Control.* If a Change in Control occurs after the Effective Date, at any time before such Change in Control the Committee may, but shall not be obligated to, (i) accelerate, vest or cause the restrictions to lapse with respect to, all or any portion of an Award, (ii) cancel Awards for fair value (as determined in the sole discretion of the Committee) which, in the case of Options and Stock Appreciation Rights, may equal the excess, if any, of value of the consideration to be paid in the Change in Control transaction to holders of the same number of Shares subject to such Options or Stock Appreciation Rights (or, if no consideration is paid in any such transaction, the Fair Market Value of the Shares subject to such Options or Stock Appreciation Rights) over the aggregate exercise price of such Options or Stock Appreciation Rights, (iii) provide for the issuance of substitute Awards that will substantially preserve the otherwise applicable terms of any affected Awards previously granted hereunder as determined by the Committee in its sole discretion or (iv) provide that for a period of at least 30 days prior to the Change in Control, such Options shall be exercisable as to all shares subject thereto and that upon the occurrence of the Change in Control, such Options shall terminate and be of no further force and effect, provided in any such case the Committee shall not have such power and authority to accelerate the times at which Shares with respect to any Award are delivered if any Award is subject to Section 409A of the Code in a manner that would result in the imposition upon any Participant of an additional tax under Section 409A of the Code.

10) **No Right to Employment or Awards**

The granting of an Award under the Plan shall impose no obligation on the Company or any Affiliate to continue the Employment of a Participant and shall not lessen or affect the Company's or

Ex. 3.1

Subsidiary's right to terminate the Employment of such Participant. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

11) Successors and Assigns

The Plan and any Award Agreement shall be binding on all successors and assigns of the Company and a Participant, including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

12) Transferability of Awards

Unless otherwise determined by the Committee or as otherwise set forth in any Award Agreement, an Award shall not be sold, transferred, assigned, pledged, hypothecated or otherwise disposed of by the Participant otherwise than by will or by the laws of descent and distribution. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant. Any sale, transfer, assignment, pledge, hypothecation or other disposition in violation of the provisions of this Section 12 shall be void.

13) Amendments or Termination

The Board may amend or terminate the Plan, but no amendment or termination shall be made, (a) without the approval of the shareholders of the Company, if such action would (i) (except as is provided in Section 9), increase the total number of Shares reserved for the purposes of the Plan or increase the maximum number of Shares that may be issued hereunder, or the maximum number of Shares for which Awards may be granted to any Participant, (ii) change the class of persons eligible to be Participants; or (iii) extend the date after which Awards cannot be granted under the Plan; or (b) without the consent of a Participant, if such action would diminish any of the rights of the Participant under any Award theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan and/or any outstanding Awards in such manner as it deems necessary to permit the Plan and/or any outstanding Awards to satisfy applicable requirements of the Code or other applicable laws.

14) Treatment of Awards

Absent express provisions to the contrary, an Award under this Plan shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or its Affiliates and shall not affect any benefits under any other benefit plan of any kind now or subsequently in effect under which the availability or amount of benefits is related to level of compensation. This Plan is not a "Pension Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.

15) Choice of Law

The Plan shall be governed by and construed in accordance with the laws of the State of Delaware without regard to conflicts of laws.

16) Effectiveness of the Plan

The Plan shall be effective as of the Effective Date and shall terminate immediately prior to the tenth anniversary of the Effective Date, subject to earlier termination by the Board pursuant to Section 13.

THE PLAN

General Information

The following description summarizes the main features of the Plan. It is intended to give you a working knowledge of how the Plan operates and your entitlements and obligations thereunder. You should read this Prospectus carefully and in full. The description of the Plan contained in this Prospectus is not meant to interpret, extend, or change the Plan itself in any way.

The Plan is a long-term incentive plan which provides for the granting of stock options ("Options"), stock appreciation rights ("SARs"), and other awards of Common Stock and awards that are valued in whole or in part by reference to, or otherwise based on the fair market value of Common Stock, including but not limited to restricted stock ("Restricted Stock") and restricted stock units ("RSUs") (collectively, the "Awards"). Awards under the Plan may be made to any employee, prospective employee, director or consultant of Holdings and its affiliates (collectively, "Participants"). The purpose of the Plan is to strengthen Holdings by providing an incentive to such Participants to encourage them to devote their abilities to increase stockholder value and to sustain excellence.

The Board of Directors of Holdings (the "Board of Directors") adopted the original Plan in February 2005, effective as of May 1, 2005. No further Awards shall be granted under the Plan on or after May 1, 2015. The Board of Directors may at any time terminate, amend, modify or suspend the Plan (subject to applicable stockholder approval requirements); provided, however, that no such amendment, modification, suspension or termination shall materially impair or have a material adverse effect upon any Awards theretofore granted under the Plan, except with the consent of the Participant.

The Plan is not subject to the rules and regulations of the Employee Retirement Income Security Act of 1974, as amended.

Additional information about the Plan and its administration may be obtained by writing to the Compensation Department, 1301 Avenue of the Americas, 6th Floor, New York, New York 10019 or by calling (212) 526-8062.

Ex. 4.1

Administration

Features of the Plan are summarized below, but the summary is qualified in its entirety by reference to the full text of the Plan itself. The Plan has been designed to permit it to be administered to grant "performance-based" Awards to executive officers which are intended to qualify for tax deductibility under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

The Plan will be administered by the Compensation and Benefits Committee (the "Committee") of the Board of Directors, which is currently comprised exclusively of independent, non-employee Directors. The Committee has discretion to select the individuals to whom Awards will be granted and to determine the type, size and terms of each Award and the authority to administer, construe, implement and interpret the Plan and any Award. The members of the Committee do not serve for fixed periods but may be appointed or removed at any time by the Board of Directors. The Committee has the ability to delegate the authority to grant Awards to officers or employees of the Company to the extent consistent with Rule 16b-3 under the Exchange Act.

The Committee shall have the full and exclusive power and authority to make, and establish the terms and conditions of, any Award to any person eligible to be a Participant, or waive any such terms and conditions at any time, provided, however, the Committee shall not have such power and authority to accelerate or otherwise provide for the times at which shares of Common Stock with respect to any Award are delivered if any Award is subject to Section 409A of the Code in a manner that would result in the imposition upon any Participant of an additional tax under Section 409A of the Code, and provided further, in the event that it is reasonably determined by the Committee that, as a result of Section 409A of the Code, a Participant is deemed to be a "specified employee" (within the meaning of Section 409A of the Code), payments and/or deliveries of shares of Common Stock in respect of any Award subject to Section 409A of the Code shall not be made prior to the date which is six months after the date of such Participant's separation from service from the Company and all its subsidiaries, to the extent required under Section 409A of the Code and the regulations promulgated thereunder. Without limiting the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations under Award agreements, and to enter into non-uniform and selective Award agreements, as to (i) the persons to receive Awards, (ii) the terms and provisions of Awards, (iii) whether a Participant's employment has been terminated for purposes of the Plan and (iv) any adjustments to be made to Awards.

Stock Subject to the Plan

A total of 95 million shares of Common Stock are subject to Awards under the Plan, subject to adjustment in accordance with the terms of the Plan. In addition, shares of Common Stock authorized for issuance under the Holdings 1996 Management Ownership Plan and the Holdings Employee Incentive Plan, each of which terminated according to its terms in 2006, that remained unawarded upon the expiration of those plans are available for Awards under the Plan, as well as the shares that are otherwise reacquired or not payable or issuable by Holdings as described below. The shares of Common Stock issuable under the Plan may be authorized and unissued shares of Common Stock, authorized and issued shares of Common Stock held in Holdings' treasury, or any combination thereof. If any shares of Common Stock subject to repurchase or forfeiture rights under an award that has been granted under the Plan, the Holdings 1996 Management Ownership Plan or the Holdings Employee Incentive Plan are reacquired by Holdings, or if any shares of Common Stock are withheld or delivered pursuant to the terms of the Plan in payment of any applicable exercise price or tax withholding obligation, or if any award relating to shares of Common Stock under any of such plans is canceled, terminates or expires unexercised (except with respect to a stock option that terminates on the exercise of a stock appreciation right) or, for any other reason is not payable, the shares of Common Stock which were issued or would have been issuable pursuant thereto will again become available for the purpose of granting Awards. In any calendar year, no individual Participant may receive Options, SARs or other stock-based Awards under the Plan attributable to more than four million shares of Common Stock, subject to adjustment in accordance with the terms of the Plan.

Ex. 4.1

Except as otherwise provided in a Participant's Award agreement, no Participant (or other person having rights pursuant to an Award) shall have any of the rights of a shareholder of the Company with respect to shares of Common Stock subject to an Award until the delivery of such shares of Common Stock.

Awards

Set forth below are certain types of Awards which may be granted under the Plan.

Stock Options. An Option, which may be a non-qualified stock option ("NQSO") or an incentive stock option ("ISO") under Section 422 of the Code, is the right to purchase a specified number of shares of Common Stock at a price (the "Option Price") fixed by the Committee. The Option Price of an Option may be no less than the fair market value of the underlying Common Stock on the date of grant.

Unless otherwise provided in an optionee's Award agreement, options are not transferable during the Participant's lifetime. In no event shall an Option be exercisable more than ten years after the date it is granted. Options become exercisable at such times and in such installments as the Committee shall determine. The Committee may also accelerate the period for exercise of any or all Options held by a Participant. Payment of the Option Price must be made in full at the time of exercise of the Option by any of the following methods, at the election of the Committee: (i) in cash; (ii) by tendering to Holdings shares of Common Stock having a fair market value equal to the Option Price, which shares have been held by the Participant for at least six months and which meet such other requirements as may be imposed by the Committee; (iii) partly in cash and partly in Common Stock; (iv) by certain withholding methods that constitute a cashless exercise through the delivery of irrevocable instructions by the Participant to a broker to sell the Common Stock received upon exercise of the Option and to deliver promptly to Holdings an amount out of the proceeds equal to the aggregate Option Price; or (v) by other means that the Committee deems appropriate.

Stock Appreciation Rights. A SAR may be granted alone or in tandem with an Option. If granted in tandem with an Option, the SAR must cover the same (or a fewer) number of shares of Common Stock covered by the related Option and will be generally subject to the same terms and conditions as the related Option. Upon exercise, a SAR will entitle the Participant to receive from Holdings an amount equal to the excess of the fair market value of a share of Common Stock on the date of exercise of the SAR minus the per SAR exercise price (or Option Price, as applicable), multiplied by the number of shares of Common Stock with respect to which the SAR is exercised. Upon the exercise of a SAR granted in connection with an Option, the related Option will be canceled to the extent of the number of shares as to which the SAR is exercised, and upon the exercise of the Option granted in connection with a SAR or the surrender of such Option, the related SAR will be canceled to the extent of the number of shares as to which the Option is exercised or surrendered. The Committee will determine whether the SAR will be settled in cash, Common Stock or a combination of cash and Common Stock.

Other Stock Based Awards. Other Awards of Common Stock and Awards that are valued in whole or in part by reference to, or otherwise based on, the fair market value of Common Stock (all such Awards being referred to herein as "Other Stock-based Awards"), may be granted under the Plan in the discretion of the Committee. Other Stock-based Awards will be in such form as the Committee will determine, including without limitation, (i) the right to purchase shares of Common Stock, (ii) shares of Common Stock subject to restrictions on transfer until the completion of a specified period of service, the occurrence of an event or the attainment of performance objectives, each as specified by the Committee, (iii) shares of Common Stock issuable upon the completion of a specified period of service, the occurrence of an event, or the attainment of performance objectives, each as specified by the Committee, and (iv) dividend equivalent rights with respect to Common Stock subject to any Award. Any Other Stock-based Awards that are granted subject to the completion of a specified period of service by the Participant that are (i) not in lieu of cash compensation to employees generally, (ii) not paid to recruit a new employee in an amount less than 5% of the total Awards available for grant under the Plan or (iii) not subject to the attainment of performance objectives, will provide that vesting, restrictions on transfer, or some other comparable restriction that encourages continued performance of the Participant, will in any such case be

Ex. 4.1

for a period of not less than three years (although vesting or lapsing of restrictions may occur in installments over such period), unless there is a "Change in Control" of Holdings (as defined in the Plan) or the Participant retires, becomes disabled or dies. Other Stock-based Awards may be granted alone or in addition to any other Awards made under the Plan.

With respect to any RSUs granted under the Plan, the obligations of the Company are limited solely to the delivery of shares of Common Stock on the date when such shares of Common Stock are due to be delivered under each Award agreement, and in no event will the Company become obligated to pay cash in respect of such obligation (except that the Company may pay to the Participant amounts in cash in respect of a RSU equal to cash dividends paid to a holder of the same number of shares of Common Stock that are subject to the RSU, for fractional shares or for any amounts payable in cash upon the occurrence of a Change in Control).

The Committee may establish performance objectives that must be attained in order for Holdings to make payments pursuant to Other Stock-based Awards. Accordingly, unless the Committee determines at the time of grant not to qualify such an award as performance-based compensation under Section 162(m) of the Code, the performance objectives for such Other Stock-based Awards made under the Plan will be based upon one or more of the following criteria: (i) pre-tax income or net income; (ii) earnings per share; (iii) book value per share; (iv) stock price; (v) return on equity; (vi) expense management; (vii) return on investment; (viii) improvements in capitalization; (ix) profitability of an identifiable business unit or product; (x) profit margins; (xi) budget comparisons; (xii) total return to stockholders; (xiii) net revenue; and (xiv) economic value added. The Committee must certify as to the attainment of the applicable performance goals prior to payment of any Other Stock-based Award, and may reduce the amount of any Other Stock-based Award. Subject to the provisions of the Plan, the Committee will have sole and absolute discretion to determine to whom and when such Other Stock-based Awards will be made, the number of shares of Common Stock to be awarded under (or otherwise related to) such Other Stock-based Awards, and all other terms and conditions of such Awards. The Committee will determine whether Other Stock-based Awards will be settled in cash, Common Stock or a combination of cash and Common Stock. The maximum amount of Other Stock-based Awards that may be granted during any calendar year to any Participant in the Plan will be (i) with respect to Other Stock-based Awards that are denominated or payable in Common Stock, four million shares of Common Stock, and (ii) with respect to Other Stock-based Awards that are not denominated or payable in Common Stock, \$50 million.

Additional Information. Under the Plan, if there is any change in the outstanding shares of Common Stock by reason of any stock dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or transaction or exchange of shares of Common Stock or other corporate exchange, or any distribution to shareholders of shares of Common Stock other than regular cash dividends, or any transaction similar to the foregoing, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to the number or kind of securities that may be issued under the Plan and in the terms of outstanding Awards. The Committee may waive any terms and conditions of an Award, including accelerating or waiving any vesting conditions on an Award. If a Change in Control, as defined below, occurs, the Committee may, but is not required to, (i) accelerate or waive vesting or exercise periods or the lapse of restrictions on all or any portion of any Award, (ii) cancel the Awards for fair value (as determined in the discretion of the Committee), (iii) provide for the issuance of substitute Awards that will substantially preserve the terms of the original Awards or (iv) provide for the full exercisability of Options or SARs for a period of at least 30 days prior to the occurrence of the Change in Control.

In general, with respect to any Award granted on or prior to November 8, 2007, a "Change in Control" is deemed to occur when: (i) 20% or more of the combined voting power of Holdings' voting securities is acquired in certain instances (whether through a tender offer, merger, or otherwise); (ii) individuals who, as of the effective date of the Plan, are members of the Board of Directors or whose election or nomination is approved by a vote of at least two-thirds of such initial directors (the "Incumbent Board") cease, subject to certain exceptions, to constitute at least a majority of the Board of Directors; (iii) a merger, consolidation, recapitalization or reorganization involving Holdings occurs, whereby the stockholders immediately prior to such transaction cease to hold at least 50% of the combined voting power

Ex. 4.1

of the outstanding voting securities of the corporation resulting from such transaction, members of the Incumbent Board immediately prior to the execution of the agreement providing for such transaction cease to constitute at least a 50% of the board of directors of the resulting corporation, or a person or entity becomes the beneficial owner of 20% or more of the combined voting power of the resulting corporation; (iv) a liquidation of Holdings or a sale or other disposition of all or substantially all of the assets of Holdings; or (v) any event occurs that would constitute a "Change in Control" within the meaning of such term with respect to any Award granted after November 8, 2007.

However, with respect to any Award granted after November 8, 2007, a "Change in Control" is deemed to occur when: (i) 70% or more of the combined voting power of Holdings' voting securities is acquired in certain instances (whether through a tender offer, merger, or otherwise); (ii) a merger, consolidation, recapitalization or reorganization involving Holdings occurs, whereby the stockholders immediately prior to such transaction cease to hold at least 30% of the combined voting power of the outstanding voting securities of the corporation resulting from such transaction, the individuals who were members of the Board of Directors immediately prior to the execution of the agreement providing for such transaction cease to constitute at least 50% of the board of directors of the resulting corporation, or a person or entity becomes the beneficial owner of 70% or more of the combined voting power of the resulting corporation; (iii) within a consecutive twelve month period, a majority of the individuals who are members of the Board of Directors are replaced with individuals who do not receive endorsement by a majority of the Board of Directors before the date of the appointment or election of such individuals; or (iv) a sale or other disposition of all or substantially all of the assets of Holdings.

Holdings shall require payment of any amount it may determine to be necessary to withhold for federal, state, local or other taxes or to otherwise satisfy any tax obligations due as a result of the exercise, grant, vesting of, or payment pursuant to, an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such withholding or other taxes by (i) delivery, in cash or by check, (ii) delivery in shares of Common Stock or (iii) having shares of Common Stock withheld by Holdings with a market value equal to the minimum statutory withholding rate from any shares of Common Stock that would have otherwise been received by the Participant.

Unless otherwise determined by the Committee or as otherwise set forth in any Award, an Award shall not be transferable or assignable by a Participant otherwise than by will or by the laws of descent and distribution. No person shall have any claim or right to the grant of an Award, and the grant of an Award shall not be construed as giving a Participant the right to be retained in the employment of the Company or any of its subsidiaries or to be eligible for any subsequent Awards. A Participant's rights under and interests in the Plan may be forfeited if such Participant ceases to be employed by the Company.

The Committee or the Board may amend or terminate the Plan or any portion hereof at any time, subject to the following restrictions: (a) that no amendment to the Plan shall be made without approval of the stockholders which shall (i) increase (except as provided in the third preceding paragraph) shares of Common Stock or the percentage of shares of Common Stock reserved for issuance pursuant to the Plan; (ii) change the class of employees eligible to be Participants in the Plan; or (iii) extend the date after which Awards cannot be granted under the Plan and (b) no amendment may be made without the consent of a participant if the amendment would diminish the rights of the participant under any Award previously granted to that participant. However, the Committee may amend the Plan as it deems necessary to permit the grant of Awards meeting the requirements of applicable laws.

Possible Restrictions on Resale

The Plan shall be administered to comply with the Securities Act of 1933, as amended (the "Securities Act"), and the Exchange Act. Reoffers or resales of Common Stock acquired by an individual under the Plan who may be deemed an "affiliate" of Holdings (that is, generally, a director or executive officer of Holdings or a person who directly or indirectly, through one or more intermediaries, controls or is controlled by, or is under common control with, Holdings) must be made only (i) pursuant to a "reoffer prospectus" complying with the provisions of the Securities Act and the rules and regulations thereunder,

Ex. 4.1

(ii) in compliance with Rule 144 under the Securities Act, or (iii) in a transaction otherwise exempt from the registration provisions of the Securities Act.

Common Stock acquired pursuant to the Plan by all other individuals is not restricted and may be resold through normal securities market channels.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF AWARDS

Certain of the federal income tax consequences to recipients of Awards and their employers should generally be as set forth in the following summary. For purposes of this discussion, the term "employer" shall be deemed to include the employer of an employee receiving an Award and the taxpayer for whom a non-employee Award recipient performs services. The following is a summary of United States federal income tax rules currently applicable to the Plan and the Awards that may affect the income tax consequences of Participants and employers who are United States taxpayers. This is only a summary and is not intended to be a complete description of all possible tax consequences under the current provisions of the Code. You should consult with your personal tax advisor concerning the federal, state, local or other tax implications of the Plan and of the Awards before making any decision with respect to your Awards.

Options

An employee to whom an ISO is granted will not recognize income at the time of grant or exercise of such Option. No federal income tax deduction will be allowable to the employee's employer upon the grant or exercise of such ISO. However, upon the exercise of an ISO, special alternative minimum tax rules apply for the employee. When the employee sells such shares more than one year after the date of transfer of such shares and more than two years after the date of grant of such ISO, the employee will normally recognize a long-term capital gain or loss, as the case may be, equal to the difference, if any, between the sale prices of such shares and the Option exercise price. If the employee does not hold such shares for this period, when the employee sells such shares, the employee will recognize ordinary compensation income and possibly capital gain or loss in such amounts as are prescribed by the Code and regulations thereunder.

A Participant to whom a NQSO is granted will not recognize income at the time of grant of such Option. When such Participant exercises such NQSO, the Participant will recognize ordinary compensation income equal to the excess of the fair market value, as of the date of Option exercise, of the share the Participant receives over the Option Price. Generally, the tax basis of such shares to such Participant will be equal to the Option Price paid plus the amount includable in the optionee's gross income, and the Participant's holding period for such shares will commence on the date after such exercise. However, where the Participant uses shares to exercise the Option, a number of shares equal to the shares used to exercise the Option will retain their original basis and holding period, the Participant's basis in the remaining shares will be their fair market value on the date of Option exercise, and the Participant's holding period for such shares will commence on the date after such exercise. When the employee sells any shares, the employee will recognize short-term or long-term capital gain or loss, as the case may be, depending on the holding period, equal to the difference, if any, between the sale prices of such shares and the tax basis of such shares.

Restricted Stock

Unless an election is made by the Participant under Section 83(b) of the Code, the grant of an Award of Restricted Stock will have no immediate tax consequences to the Participant. Generally, upon the lapse of restrictions (as determined by the applicable restricted stock agreement between the Participant and Holdings), a Participant will recognize ordinary income in an amount equal to the product of (i) the fair market value of a share of Common Stock on the date on which the restrictions lapse, less any amount paid with respect to the Award of Restricted Stock, multiplied by (ii) the number of shares of Restricted Stock with respect to which restrictions lapse on such date. The Participant's tax basis will be equal to the sum of the amount of ordinary income recognized upon the lapse of restrictions and any amount paid for such Restricted Stock. The participant's holding period will commence on the date on which the restrictions lapse.

Ex. 4.1

A Participant may make an election under Section 83(b) of the Code within 30 days after the date of transfer of an Award of Restricted Stock to recognize ordinary income on the date of award based on the fair market value of Common Stock on such date. An employee making such an election will have a tax basis in the shares of Restricted Stock equal to the sum of the amount the employee recognizes as ordinary income and any amount paid for such Restricted Stock, and the employee's holding period for such Restricted Stock for tax purposes will commence on the date after such date.

With respect to shares of Restricted Stock upon which restrictions have lapsed, when the employee sells such shares, the employee will recognize capital gain or loss consistent with the treatment of the sale of shares received upon the exercise of NQSOs, as described above.

Restricted Stock Units

A Participant to whom an RSU is granted will not recognize income at the time of grant of such RSU. Upon delivery of shares of Common Stock in respect of an RSU, a Participant will recognize ordinary income in an amount equal to the product of (i) the fair market value of a share of Common Stock on the date on which the Common Stock is delivered, multiplied by (ii) the number of shares of Common Stock delivered.

Any dividends or dividend equivalents payable in respect of Restricted Stock or RSUs shall be taxable as ordinary income to the Participant upon receipt thereof.

Other Stock-based Awards

With respect to Other Stock-based Awards paid in cash or Common Stock, Participants will generally recognize income equal to the fair market value of the Award on the date on which the Award is delivered to the recipient.

Code Section 409A

The American Jobs Creation Act of 2004 introduced a new section of the Code (Section 409A) covering certain nonqualified deferred compensation arrangements. Section 409A generally establishes new rules that must be followed with respect to covered deferred compensation arrangements in order to avoid the imposition of an additional 20% tax (plus interest) upon the service provider who is entitled to receive the deferred compensation. Certain Awards that may be granted under the Plan may constitute "deferred compensation" within the meaning of and subject to Section 409A. While the Committee intends to administer and operate the Plan and establish terms (or make required amendments) with respect to Awards subject to Section 409A in a manner that will avoid the imposition of additional taxation under Section 409A upon a Participant, there can be no assurance that additional taxation under Section 409A will be avoided in all cases. In the event the Company is required to delay delivery of shares or any other payment under an Award in order to avoid the imposition of an additional tax under Section 409A, the Company will deliver such shares (or make such payment) on the first day that would not result in the Participant incurring any tax liability under Section 409A. The Committee may amend the Plan and outstanding Awards to preserve the intended benefits of Awards granted under the Plan and to avoid the imposition of an additional tax under Section 409A of the Code.

General

Ordinary income recognized by virtue of the exercise of NQSOs, the lapse of restrictions on Restricted Stock or RSUs or payments made in cash or shares of Common Stock is subject to applicable tax withholding as required by law.

Holdings generally will be entitled to a federal tax deduction to the extent permitted by the Code at the time and in the amount that ordinary income is recognized by Participants.

The discussion set forth above does not purport to be a complete analysis of all potential tax consequences relevant to recipients of Options or other Awards or to their employers or to describe tax

Ex. 4.1

consequences based on particular circumstances. It is based on federal income tax law and interpretational authorities as of the date of this Prospectus, which are subject to change at any time. Each holder of an Option or other Award under the Plan should consult the holder's own accountant, legal counsel or other financial advisor regarding the tax consequences of participation in the Plan.
